# PERGOBEACH

## Gentle breeze

Simple and elegant. The perfect retreat where to dream of exotic sunny beaches and escape in the mind.

Pergobeach is a delicate and yet strong shading structure designed to bring an elegant self standing solution to selected outdoor areas such as pools, beaches, terraces, decks, hotels and restaurant patios.

Beautiful in its classic standard white powder coated aluminum parts (custom colors are available), Pergobeach is covered with strips of fabric running parallel to each other, alternately sustained by discrete windbreaks to complete an aesthetic design able to satisfy any style expectation.

Pergobeach: The perfect solution to enjoy the relaxing moments of hot summer days.

## Product Features

### Expandable.

As part of the patio system collection designed by Alutex, Pergobeach offers also the possibility to install perimeter roll-up cassette curtains to create an outdoor private area.

### Elegant.

Designed with particular attention to the details of its components, Pergobeach offers precision and installation simplicity without compromising elegance.

### Dependable.

Supplied with solid or stripe acrylic fabrics, Pergobeach is the perfect complement to selected sunny outdoor areas to extend social gatherings or to create new separate personal spaces for privacy or leisure.
